

Notifying a change of postal address or a new foreign address

- We automatically receive address changes in the Netherlands via the municipality. You do not need to pass this on via this form.
- However, you do need to report changes in postal addresses other than those known to your municipality.
- You also need to inform us if you move abroad.

Changing your postal address can be done quickly and easily at www.nedlloydpensioenfonds.nl in MyNPF Pension.
