**Re: Transition pension administrator/2022 Annual Statement and pension specification as of January 2023**

Dear Sir or Madam,

With this letter we would like to inform you that our pension and benefit administration as of 1 January 2023, will be transferred to the pension administrator Blue Sky Group.

#### **Transition to pension administrator Blue Sky Group**

After a thorough selection process, the Board decided to transfer the pension- and benefit administration to Blue Sky Group (BSG) as of 1 January 2023. BSG is a renowned pension- and benefit administrator that carries out the pension administration for various other pension funds.

#### **What does this transition mean for you?**

This transition from pension administrator means that as from 1 January 2023 on you can direct all your questions about your pension to BSG. In the future, you will receive information about your Nedlloyd pension directly from BSG .

**Pension Specification as of January 2023**

Up to and including December 2022, the payment of your pension benefit will be paid by RiskCo Administrations (RiskCo). You will receive the annual statement 2022 from RiskCo that you need for your tax return 2022.

As of January 2023, the payments of your pension benefit will be paid by BSG. The first specification, that you receive in January 2023, may therefore look a little different.

**Communication**

Starting next year, you will see some other changes. For example, we will have a new website and a new personal pension portal where you can make adjustments and take care of your pension matters. You will be informed about this later by Nedlloyd Pension Fund/BSG.
